Our Ref: 11327913

17 March 2022

Dear Resident,

What: Temporary Traffic Order to **close the road** for carriageway patching.

Where: **Sandhurst Lane, Sandhurst** - see overleaf for details of road closure.

When: **30th March between 0700 and 1900**

On behalf of Gloucestershire County Council, we will shortly be returning to complete patching works at the above location to repair localised faults and improve the condition of the road.

Our patching programme is dependent on several factors. It can be affected by things like; heavy rain, snow, changes in temperatures and other weather events as well as plant breakdown and unforeseen technical issues that arise once work has begun. All this means **scheme dates and details can change at short notice.**

ROAD CLOSURE

We will be patching in multiple locations along the stretch of road marked in red on the map overleaf. **We will be working in sections and only the section we will be working on at a time will be fully closed.**

We appreciate road closures are inconvenient, but in order to keep you and the team working on the road safe it is necessary. We have planned the work so we can be in and out as quickly as possible.

Access

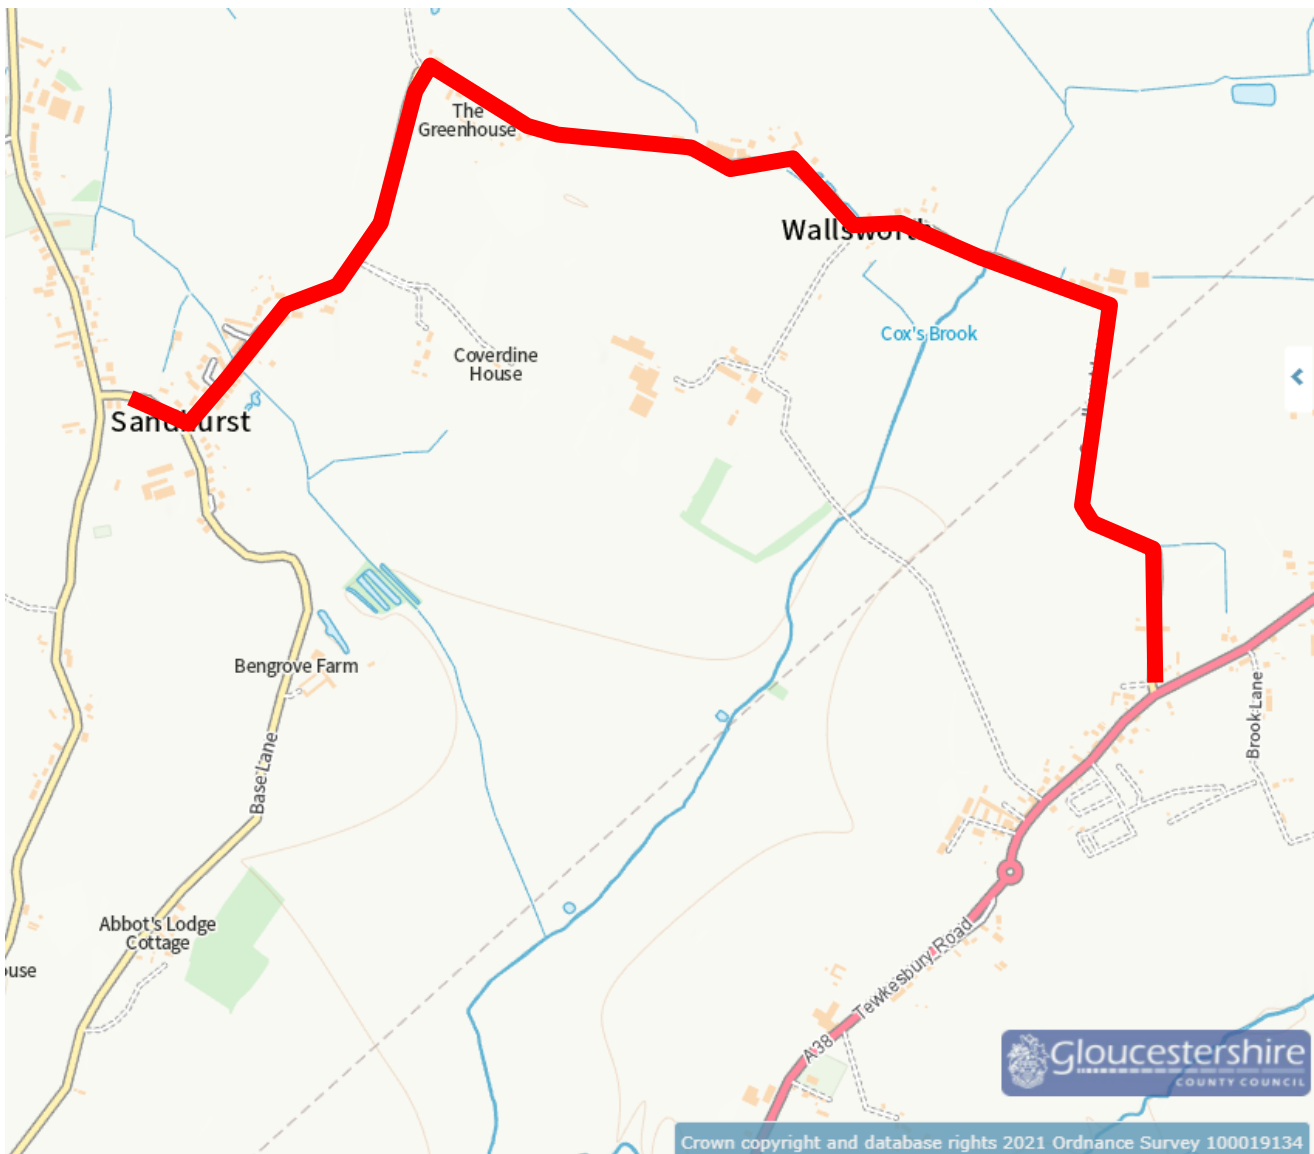

To ensure the safety of pedestrians, road users and our workforce **no vehicular access** will be permitted on the section of the road we will be working on.

Parking

Please note that parking on the road (as marked red on the map) will be prohibited during the works. We will make every effort to contact the owners of any vehicles left parked on road, but if unsuccessful, we may have to arrange for them to be removed to a secure area until collected by owners. Off-road parking will be unaffected.

Thank you in advance for your patience and co-operation. If you have any queries, please email Highways@gloucestershire.gov.uk.

Below is a map showing the extents of the road closure.

Kind regards,

Perry Holder,
Supervisor For and on behalf of Ringway
